PROFILE

Hi, I'm Bhukya Sandeep, a passionate UI/UX designer with a keen eye for detail and a love for creating intuitive and engaging digital experiences. My journey in design has been fueled by a deep interest in understanding how users interact with technology and how we can make those interactions as seamless and enjoyable as possible.

WORK EXPERIENCE

HOSPITAL MANAGEMENT APPOINTMENT (Ongoing)

- Develop a web application for hospital appointment scheduling.
- Include features like patient registration, doctor availability tracking, and reminders.
- Utilized Figma for prototyping and animations.
- Ensure data security and privacy compliance with secure practices.
- Conduct user testing to enhance usability and accessibility.

PERSONAL PORTFOLIO

- Developed a responsive, performance-optimized portfolio site to showcase skills and projects.
- Implemented CSS animations and JavaScript for enhanced visuals.
- Hosted on GitHub Pages for easy accessibility.
- Received positive feedback from potential employers for clarity and design aesthetics.

GYM WEBSITE

- Created an interactive gym website with membership plans, online booking, and schedules.
- Use HTML5, CSS3, JavaScript, and Bootstrap for an interactive design.
- Enhanced customer engagement through a blog featuring fitness tips and success stories.
- Optimized the site for SEO, boosting organic traffic by 20%.
